**INTERVIEW SUMMARY RECORD AND
NOTIFICATION OF COPENDING APPLICATIONS**

This will document the March 28th, 2006 telephone interview with the Primary Examiner wherein the responsiveness of the amendment filed on March 14th, 2006 was discussed. Specifically, Mr. Mitchell pointed out that detailed arguments were made rebutting every ground of rejection with respect to independent Claim 1. Reconsideration of all the claims was requested. However, arguments were not made by the applicant on the basis of the numerous differences contained in the dependent claims as they are not believed necessary as Claim 1 is believed to be patentable. The Examiner indicated that he would consider the amendment responsive.

Applicant also disclosed the following information relating to copending
